

Living Materials FOR Living Spaces

18 dicembre 2025
dalle 9:30 alle 17:30
presso aula 5L
Dipartimento Architettura e Design
(Università di Genova)

9.30 Welcome and registration

10.00 Introduction

Massimiliano Giberti, coordinatore del Corso di Dottorato

10.15 - 11.00 Track1 Bio-design and Domestic Furnishings

Antonella Belletti e Francesco Cianfano researchers on bio design, talking about bio concrete and mycelium.

MAterials DEsign for TRANSition Politecnico di Milano,
Design Department

11.15 - 12.00 Coffee break

12.00 Track 2: Exhibits with Living Organisms

dotdotdot design studio talking about the Sea oasis at Biennale di Venezia 2025, installation that contribute to the biodiversity of the lagoon.

13.15 - 14.30 Lunch Break

14:30 - 17:00 Scientific paper presentation

Track1: Bio-design and Domestic Furnishings

Alessia Nicoletta Marino "Conversational Material: Anthropomorphization and Materiality of AI"

Dejvi Dauti "Dalla costruzione al riuso: pratiche emergenti di design circolare in Albania"

Daniela Amandolese "Growing Futures: biofabricated Habitats"

Christos Kourtidis Vlachogiannis "Mycelium-Based Acoustic Panels: Bio-Fabrication and Posthuman "

Chiara Tassano "Verso nuovi ecosistemi domestici. Oggetti e processi per un abitare interspecie"

Giovanna Dagnino "Il biorestauro come pratica di rigenerazione ecologica e culturale"

Putu Risca Adi Kurniawan, Stephen Yona Loanoto "From Waste to Taste: Eco-Board and Bio-Bricks as Breathable Aesthetic Elements"

Track 2: Exhibits with Living Organisms

İşıl Yücel "A Piece of Earth Existing Nexus In Deep Time Architecture"

Giulia Mazzucco, Francesca Mosca "Living roofs - the role of green roofs in reconnecting people with nature"

Marco Gullaci "Oltre il materiale: verso una teoria organica dell'Interior e Spatial Design"
